QUICKSILVER® CAPTUR

810 Arvor

For fishing enthusiasts looking for tradition mixed with performance and up-to-the minute comfort, the 810 Arvor is the perfect answer. Robust and practical, this heavy-duty yet compact fishing craft offers all the performance and safety you need for both inshore and offshore fishing and cruising

SAFETY

- Robust hull design for offshore and inshore use
- Standard bow thruster and bow electric windlass
- Port and starboard windscreen wipers and windscreen out of real glass
- Integrated helm with hydraulic steering and high-spec SmartCraft instrumentation.
- Improved non-skid walking surfaces throughout
- Good circulation via wide access to bow

FEATURES & BENEFITS

IMPROVED FISHING EXPERIENCE

- Large fishing cockpit with flip-down seating and a livewell, raw water washdown and bait preparation station. Possible to fish day and night with LED cockpit lighting.
- Integrated trolling valve allows extreme slow trolling for hours without risk of damage to the engine or transmission
- Optional dual helm with electronic pack
- Fish lockers in the cockpit to keep your catch
- Possibility to store rods in the cockpit or securely lock them away in the cabin

CRUISING COMFORT

- Comfortable cabin with pilot and co-pilot seat and seating area
- Sliding windows and roof hatch for light and ventilation
- Interior LED lighting and teak floor accents add comfort and style
- Dedicated galley with fresh water system, cutting board and LPG stove
- Comfortable seating area converts to dining area for up to four or a spacious, comfortable berth for 2
- Optional separated head with sea toilet
