Handrails sculpted, long stainless steel handrails on coachroof for secure movement forward

| CONSTRUCTION | |
|--|------|
| Deck hand-laid fibreglass deck, ISO glecoat surface, discontinuous balsa block coring, interior fibreglass deck counter mould | |
| Hull solid, hand-laid fibreglass, ISO glecoat surface, vinylester resin in outer skin protective barrier coat to protect against osmosis | |
| | |
| Structure 3rd generation inner fibreglass grid, high-load zones cut out and relaminated, drainage system through structure, | |
| special emergency repair zone in keel area | |
| LIGHTING LEGISLATION OF THE PROPERTY OF THE PR | D.D. |
| LED navigation lights and anchor light | PR |
| Flush mounted LED chromed brass ceiling lights in saloon, head compartments and cabins | |
| On/off switches in saloon for overhead lights | |
| Red/white combination light for night vision at nav station | |
| ELECTRICAL | |
| Red/white combination light for night vision at nav station | |
| 12v alternator output | |
| Charge distributor/isolator | |
| Engine start battery capacity | |
| Domestic battery bank capacity | 3 |
| Extra 115 Ah domestic battery | PR |
| Positive battery switch for engine bank, positive battery switch for domestic bank and negative general cut-off switch | |
| 220v shore power inlet with differential breaker | |
| 60A battery charger, multi-phase | PR |
| Electrical panel with 12v breakers, 220v breakers, LCD display with 12v voltmeter, 12v consumption meter, fuel and water tank gauges, backlight | |
| One 220v and 12v plug per cabin, 220v plugs in galley, saloon and nav station | |
| 220v stainless steel microwave | |
| Generator 6kw ONAN 220v located under the liferaft locker in the transom with special access panel, power selector switch and generator panel located at nav station, | |
| exhaust separator with below waterline discharge for silent operation | |
| PLUMBING | |
| Hot and cold pressurised water distributed through-out the boat via semi-rigid hose | |
| "heavy-duty" water pump and accumulator tank for consistent water pressure | |
| 40 litre hot water tank that is connected to engine heat exchanger and to 220v electrical system | |
| Chromed shower faucets in washrooms | |
| Shower sumps equipped with individual electric pumps and on-off switches | |
| Large manual pump marine toilets | |
| labsco electric quiet-flush toilets in place of standard, available for each head compartment | |
| | |
| 73 litre holding tank with gravity drain and deck fitting for other head compartments (port aft head equipped with standard tank), available for each head compartment | |
| ENGINE | |
| Yanmar 4JH4 TE 75 HP , sail drive 55Kw, turbocharged, latest generation of environmentally friendly engines | |
| 360 Docking system -Yanmar 4JH4 TE POD I 20 engine with pivoting sail drive unit and joystick (includes bow thruster and auto pilot) | |
| Fully soundproofed engine compartment with engine access behind stairwell and from aft cabin | |
| Fuel/water separator | |
| Built-in muffler, forced air ventilation and stainless steel exhaust fitting aft | |
| Fixed 3-blade bronze propeller | |
| 3-Blade folding propeller | |
| Bow thruster | |
| | |
| COMFORT | |
| Fixed hull ports with track-mounted curtains | |
| Opening cockpit and roof ports with curtains | |
| Opening deck hatches forward-facing with sun blinds and insect screens integrated into headliner | |
| CD/radio/MP3 FUSION player in saloon | |
| Bose® 2.1 speaker system ACCOUSTIMASS 3, speakers with base unit in saloon | PR |
| Cockpit speakers watertight | PR |
| TV LED 23" mounted on an articulating arm on main saloon bulkhead to port of the forward cabin doorway | |
| DVD player FUSION in saloon (replaces standard CD player) | |
| Combination washer/dryer machine 5kg 220v installed in bar forward of the nav station | |
| Air Conditioning 220v 24000 BTU 2 units with digital controls and vents in saloon, forward and aft cabins | |
| Forced air heating I unit 5500 BTU and I unit 3900 Webasto® diesel heaters installed in cockpit lockers, vents in forward and aft cabin, saloon and head compartments | |
| To see an incasing I did 300 by and I did 300 Freebasio diesel neaters installed in cockpit lockers, vents in forward and air cabin, saloon and nead compartments | |
