# QUICKSILVER® CAPTUR

## 755 Pilothouse

A fishing trip is never going to be a rough and ready affair in this addition to the Pilothouse range. Combining the best fishing equipment package with a full interior double berth, the 755 brings fishing aficionados a real touch of luxury along with all the practical touches the seasoned boater would expect.

### UNCOMPROMISED FISHING

- The fishing experience is maximised with the large fishing cockpit that can be converted to a clear fishing area thanks to flip-up flush-fitting.
- Premium livewell with constant fresh water delivery and aeration system to maintain healthy bait and fish lockers in the floor.
- Optional premium fishing equipment package with transom bait preparation station, electric fish locker pumpouts, 2 additional transom rod holders and cockpit raw water washdown
- Optional 2nd helm with GPS/Chartplotter to allow complete control of vessel from the cockpit

### FEATURES & BENEFITS

### CRUISING COMFORT

- The cockpit can be converted into seating and dining area through optional flip-up seating and cockpit table
- The cabin is a true sociable area where you will find a permanent galley with stove, optional refrigerator and dining table; ideal for a small dinner. 3 swivel seats, a double berth with opening portlights and optional foredeck window allows you and your family to relax and rest
- The large sliding doors to the cabin provide plenty of light and ventilation and allow you to communicate directly with people in the cockpit
- For all weather protection custom optional cockpit canvas and a fully enclosed canvas are available

### INTELLIGENT STORAGE

- A maximum amount of storage space is foreseen in the cockpit so you can access all your fishing equipment. In addition to that there is dedicated storage for fenders, lines and other accessories and a separate storage to access other items
- Ample storage space in the cabin space underneath the berths, cabin floor, seating and galley
- Small items such as sunglasses, maps and keys can be stored conveniently in a dedicated compartment at the helm

### SECURE FEELING ABOARD

- Excellent access to the water and land is ensured with a walkthrough transom, an integrated swim ladder and an optional dual swim platforms
- Moving around the boat is easy and efficient using the tri-slide cabin door and via the side sliding door at the helm. On the deck you find high freeboards, free walkways and large clear spaces (in cockpit and bow) to ensure you can feel secure on board
- A tempered glass windshield and strong windscreen wipers ensure safe operation in rough weather
- Dual battery boxes ensures reliable power when needed
