# QUICKSILVER® CAPTUR

## 905 Pilothouse

The days you had to choose between comfort and performance, between fishing and cruising are gone. With the 905 Pilothouse you can have both. Designed without compromise for fishing, adventure & fun, and all in perfect safety and comfort. The 905 Pilothouse is suited for offshore cruising (category B) and carries up to 10 people.

### SAFETY

- Suitable to navigate both offshore and inshore (category B)
- Safety is ensured by the high freeboards and convenient positioned grab rails
- The high-spec electronic pack, which includes a GPS for precise navigation, and a VHF for secure communication
- Single or twin Mercury engine configuration with up to 500 hp ensure safe and agile handling in a variety of weather and sea conditions
- Safe on-board circulation with both port and starboard bow to stern access and safe side to side passage in the transom area on the transom bridge

### FEATURES & BENEFITS

### UNCOMPROMISED FISHING

- Comprehensive fish station featuring a sink, cutting board, cold water wash, knife holder, storage and rod holders
- Fish Pack upgrade adds a livewell, raw water wash-down, extra rod holders and in-cabin safe rod storage, refrigerator drawers and additional stainless steel rod holders
- Fish station slides back at the touch of the button to maximize cockpit area and integrated fish lockers in the cockpit floor offer a good solution for packing away the catch
- The optional second helm allows for precision navigation and control while fishing

### EXCELLENT CRUISING COMFORT

- Ample seating possibility in cockpit and bow area
- Fully featured galley includes a sink, LPG stove and optional micro-wave, fridge
- Accommodation for 6 with a full size forward berth for 2, a full size mid-berth for 2 and a convertible solution for single or dual accommodation in the main cabin.
- Opening port lights and skylight throughout for ventilation and natural daylight
- Heating and/or air conditioning system for a maximum of comfort all year long
- Separate head with enclosed toilet and pull-out shower
- Exterior lighting in cockpit for night-time operation
