## Quicksilver Activ 875 Sundeck, perfect for coastal navigation

Quicksilver presents the Activ 875 Sundeck vessel that comes to complete the four current models 605, 675, 755, 805 Sundeck, and extends the offer in the range of vessels from 6 to 9 meters.

pn

Perfect for coastal sailing, with capacity to carry up to **10 people in category B and 12 in category C** of the CE, the new **Activ 875 Sundeck from Quicksilver** combines maximum comfort and unique features of the range with a high degree of practicality to turn life on board into an experience to remember. The highlights and main features of the Activ 875 include:

- A XXL sundeck in the bow with measures 2.25mx 2.25mx 1.21m, with adjustable backrests in various positions and integrated cup holders
- A versatile bath area, ideal for socializing or eating. The optional folding seats create a dining area that can comfortably accommodate up to 6 people. The aft seating area transforms into an XL 1.90mx 1.60m solarium with direct access to the water thanks to the practicable backrests
- Fully equipped kitchen with pressurized water basin, cutting board, double LPG or electric grill burner

and a side refrigerator drawer. The kitchen is integrated under the cover and slides out when necessary so it does not take up space when it is not in use

- A **spacious, ergonomic office** with space for instrumentation that includes a 12 "GPS or a 9" dual GPS
- A surprisingly spacious multifunctional cabin, with a personal touch that makes it ideal for weekend getaways or vacations. Large skylights on the side of the hull, practicable openings and the zenith hatch allow free entry of light and fresh air. During the day, the U-shaped seating area can be used as a dining area or social area. The interior kitchen with microwave and fridge (50L) will allow you to have a good hot meal or a cold drink
- The cabin offers room for **4 adults to spend the night** on board: double bed measuring 2m x 1.80m and an additional bed in the cabin with stowage space and side skylights
- Bathroom in closed cabin with pressurized water basin, shower and toilet with electric shock system
- Rear bridge in engine cockpit: easy access from both sides of the transom
- **Multiple engine configuration options** : up to 400 HP for a single motor or double motor up to 500 HP
- The Privilege Pack, for those who love the design, includes teak faux finishes, enhanced upholstery and plaid print and a superior style steering wheel. In addition, it contains improvements for the cabin, such as stowage boxes with interior upholstery, blue LED lights or the *e scotilla* with opaque sliding curtain and *anti-mosquito* protection mesh .
- The Activ 875 Sundeck contains innovative solutions and uses the latest technologies available on the market: VesselView® Link interface, which displays engine data along with **SmartCraft information on the GPS screen** , NMEA 2000 Backbone - VHF and Stereo Fusion equipment can be controlled through the Simrad system screens - the Active Trim system, the first and only GPS based on the Trim System - Joystick piloting system for outboard motors, with total 360° control at hand, and the latest Simrad products: GPS NSS evo3 - Fusion stereo system MS-RA70N - VHF RS20.

As with most Quicksilver models, the Activ 875 Sundeck features the **SMART Edition** that includes the folding seats on the starboard command post, cockpit sundeck, refrigerator, microwave, cockpit curtains, LPG burner and refrigerator drawer.

The **Activ 875 Sundeck** will be presented at its world premiere at the Cannes Boat Show (from September 12 to 17), and then at the Southampton Boat Show (from September 15 to 24) and the Genoa Show (from the 21 to September 26). Afterwards, he will be exhibited at the Nautical Salons of La Rochelle, Barcelona, Paris and Düsseldorf.
